

## Our aim at England Rugby Travel is to send you on an unforgettable rugby tour.

For life-long memories, action-packed excitement and memorable experiences, our team of experts are here to make the process as stress free as possible.

The fun starts the moment you speak to us, from destination suggestions and tailor made itineraries, pre-tour preparations and fundraising inspiration, we will support you every step of the way.

### DECISION MAKING

Don't worry if you don't know where to start!

Just pick up the phone or drop us an email and we will get you started. To make it easy, decide first where you want to go. Check out our destination fact files to help you choose the perfect location for your rugby tour.

Our fact files contain information on each destination so it is easy to see what excursions are on offer, what the climate is like and when the playing seasons are.

A member of the England Rugby Travel team is available to meet with you to iron out any questions you may have and talk through your plans and ideas, offering advice on all destinations and potential itineraries.

All our tours can be tailored to suit your group's requirement – so don't worry if you have a question or have not been able to get what you want elsewhere – we are confident we can help.

### TOUR CONFIRMATION

Once you have confirmed your tour with us we can help with promotion by holding a presentation evening for all potential tourists and supporters. All the information you need will be explained and you will be left with a clear timeframe of events leading right up to your departure date.

There are many ways in which we can help you raise funds for your tour. We understand the importance fundraising plays in putting together your ideal package and we can suggest many innovative ways for you to reduce the individual tour cost.

### WHAT'S NEXT?

After we have received your deposit, list of passenger names and passport details, your assigned tour co-ordinator will send you a tour confirmation letter and tour information pack.

All you have to do now is let us take care of the rest. Your tour co-ordinator will be available to meet and discuss any issues or concerns you may have. We pride ourselves in ensuring all the small details are right which is why this contact is so important.

### DEPARTURE

Prior to departure you will be met at the airport by one of our representatives who will oversee check-in and ensure your tour goes as smoothly as possible.

Upon arrival at your destination our representatives will meet you and assist in your onwards travel to your accommodation and ensure you are happy with your planned itinerary. We will be contactable 24/7 on a telephone number supplied to you before you depart.

Enjoy your tour.
